EVENT PROFILE

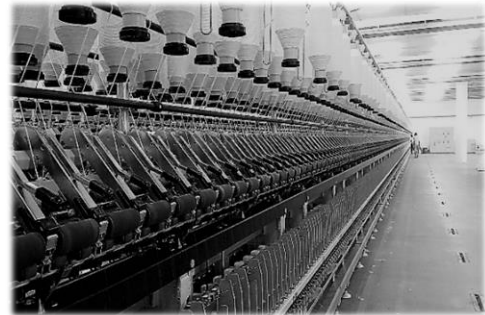

CEMS-Global USA's International 'TEXTECH series of Exhibition' has reached its accession in popularity in South & South-East Asia & North Africa having organized extremely successful editions in Bangladesh, Morocco & Sri Lanka. 'TEXTECH Bangladesh' is the Oldest and Biggest International Exhibition of Bangladesh serving the Textile & Apparel Industry of Bangladesh for the past 22 years now and it is the ONLY International branded series of Exhibition of its kind being held in Bangladesh, Morocco & Sri Lanka annually. After the successful 21st edition of Textech International Exhibition

held in 2022, CEMS-Global is pleased to present once again its 22nd annual edition in Bangladesh as '22nd Textech Bangladesh 2023 International Expo'. Without a doubt 'Textech' will once again be a great B2B platform and a unique B2B networking opportunity for Textile Garment Machinery manufacturers of Bangladesh to interact face to face with Textile & Apparel manufacturers in the biggest B2B platform Bangladesh can offer. Bangladesh exported garments worth US \$42.613 billion, making it the second-largest apparel exporter in the world.

The Textile & Apparel Industry of Bangladesh is still undertaking a massive machinery up-gradation and importing the latest machinery with technological advancements; to ensure product quality, and the ability to produce & export value-added goods.

For the past 21 years, 'Textech' has been providing a perfect one-of-a-kind and one-stop solution to the visitors and a platform for the exhibitors to interact directly with the buyers/importers for a perfect buyer-seller meet and a strong under-one-roof marketplace for the ever-growing Textile & Garment industry of Bangladesh. "Textech" is an international exhibition focused on the entire Textile & Garment machinery and technology industry of Bangladesh. "Textech" has created a brand in South & South-East Asia, especially in Bangladesh, as the biggest expo for the entire

Textile & Garment Industry of Bangladesh and has seen incredible growth in terms of exhibitors as well as potential visitors from the industry than any other expo ever held in Bangladesh. Textech has been seeing an overwhelming increase in Exhibitors year after year owing to delivering success to the Exhibitors and attracting more visitors for being a hub for attracting visitors from all over Bangladesh and from neighboring states of India, Nepal, and Myanmar. The visitors to the expo will be from the entire Apparel & Textile sector of Bangladesh. So, it will be a unique and one-of-a-kind B2B Networking platform of Buyers-Sellers and a unique opportunity to take advantage, meet the buyer's importers and forge profitable deals. With the industry now seeing firm competition, the expo brings a perfect one-stop opportunity for investments occurring in Bangladesh.

WHY BANGLADESH? WHY NOW?

The export-oriented RMG sector in Bangladesh started as a small non-traditional export sector in the late 1970s. Now Bangladesh is one of the countries in South Asia leading the race for shaping up for the Textile & Apparel exports to the US & EU. Within three decades, RMG has transformed itself into the country's highest revenue-generating sector, contributing most of Bangladesh's total exports, making Bangladesh the second largest garment exporter in the world. Bangladesh imports textile and garment machinery worth more than \$4 billion in Bangladesh, and growing by 20 per cent annually because of increasing capacities and upgrading of Machinery. As country's textile & garment industry continues expansion, the demand for advanced machinery and technology is on the rise, several major sectors are ready to upgrade their machinery and equipment for driving all relative industries to the next leading level. Textile and apparel machinery manufacturers and sellers recognize Bangladesh as a lucrative business destination because of the country's stronghold in the global readymade garment trade. Low-cost and high-quality products that are produced on time; reliably and very competitively with a skilled workforce; unique regional location for expansion into key Asian and other markets; privileged trading status with Canada, the EU and Japan; clusters of companies providing a local supplier base with depth in skilled labor, training, and technical development facilities provide a favorable advantage for the investors to invest in Bangladesh.

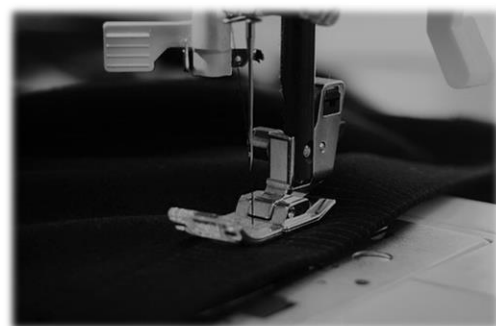

IN FIGURES

As the textile & garment industry in Bangladesh continues expansion, the demand for advanced machinery and technology is on the rise. During the last decade Bangladesh has imported textile & garment-making machineries worth Billions. The Bangladesh Garment Manufacturers Exporters Association (BGMEA) revealed it is eyeing a 10% share of the global apparel market by 2025 and is aiming for an export target of US\$100bn by 2030.
